on Access to Pain Relief

GUJARAT CANCER & RESEARCH INSTITUTE In Collaboration with PALLIUM INDIA, TRIVANDRUM, KERALA

Palliative Care is integral part of cancer care. Gujarat Cancer & Research Institute, a Regional Cancer Center is committed for care of cancer patients. It has fully established Palliative Care Services. The Department of Pain & Palliative Medicine offers Palliative Care through Out-patient services, In-patient services, Home care services and Hospice services, irrespective of stage of the disease.

The Department of Palliative Medicine, G C & R I, Ahmedabad, has been recognized by Pallium India and Trivandrum Institute of Palliative Care, a WHO Collaborating Center for Training in Palliative Care, as a Training Center for Courses in Pain & Palliative Medicine for doctors & nurses.

It is matter of immense pleasure to announce a “Hands On”, (Full time) six weeks course, for doctors & nurses from 01 Sept 2015 at G C & R I, Ahmedabad.

- 1.Certificate Courses in Pain and Palliative Medicine (CCPPM)**
- 2.Certificate Courses in Palliative Nursing (CCPN)**

A pair of doctor & sister from a center will be given preference. Whatever specialty you are practicing, the course will improve your attitude towards patient care, communication skill and holistic approach to patient and family.

Duration of Course: 01 Sept to 10 Oct 2015 (Six Weeks)
